The screenshot shows the 'My Courses' interface. At the top right, there is a gear icon circled in red. Below the header, it lists 'Courses you are teaching:' with two entries: 'Blackboard met Blackboard' and 'FSW_701152_2009_91: Instituties, markt en overheid deel 2 (2009-2010) 91'.

The screenshot shows the 'Personalize: My Courses' page. Under the heading '1. Edit Courses List', there is a table with columns for 'Course' and 'Display Course Name'. One course is listed: 'OND_BBBB_9999_1: Blackboard met Blackboard' with a checked checkbox in the 'Display Course Name' column.

The screenshot shows the 'Reorder: Modules' page. It features three columns: 'Column 1' containing 'Tools', 'Column 2' containing 'My Announcements', 'My Calendar', 'Nieuws Platform SCHIB', 'Announcements2RSS', and 'VU Mededelingen / VU Announcements (2)', and 'Column 3' containing 'My Courses', 'My Organizations', and 'Bibliotheek'. Arrows at the bottom of each column indicate that modules can be moved between them.

With Reorder: Modules  top left, you can move and resuffle the modules. Use the arrows to move the modules.
